Vote:535 Mayuge District**Quarter3****Summary of Cumulative Receipts, disbursements and expenditure for FY 2019/20**

By end of Q3, shs 27,972,943,000 was received representing 77% performance against the District approved budget. This performance above average was attributed to frontloading of all development funds by Ministry of Finance in the quarter under review. Despite the good performance overall, An under performance is observed in External Financing and Local revenues items of 39% and 67% respectively. For the case of low local revenues, this is attributed to Low enforcement and external financing many partners never released funds to meet their budget costs specially UNICEF and WHO. DISBURSEMENTS: All the funds on the single treasury account (STA) were disbursed to departments with the water department performing at 98% followed by Planning; the good performance is due to the development funds front loaded by Ministry of Finance to facilitate completion of projects on time. EXPENDITURE: With respect to expenditures, 87% of the releases were spent, an under expenditure is observed in the Planning department and the water sector which performed at 31% and 40% respectively. This was due to the fact that the development funds had not been spent due delayed procurement and works were still ongoing.

Cumulative Performance for Locally Raised Revenues

The District planned to collect a total of UGX 774,322,000 from all Local Revenue sources, but by the end of the third quarter, the district cumulatively collected a total of UGX 519,410,000 representing 67% of the annual budget. This below below the 75% target for three quarters. This over performance above 75% target was due to over performances realized under Salary arrears (Budgeting), General Public Service Pension Arrears (Budgeting), sector development grant and DDEG, which all performed at 100%, while Sector Conditional Grant (Non-Wage) performed at tune of about 69%..

Cumulative Performance for Other Government Transfers
